## MANUFACTURER'S DECLARATION OF CONFORMITY

Undersigned, representing REFFLEX-International BV,  
Augsburgstraat 29, NL-3047 AA Rotterdam (The Netherlands),  
declares that:

*The REFFLEX® systems of synthetic flexible hose with metal fittings for connecting refrigeration pressure equipment do comply with national and CE norms and safety regulations according to EN-1736.*

*Above mentioned products may be applied in refrigeration and air-conditioning equipment and other related equipment, for which as from 1995 a CE-mark is required.*

*The above mentioned equipment may only be put into service after has been determined that the subject does fully comply with the essential requirements and other relevant provisions of all applicable CE Directives.*

Respectfully submitted January 2012,

REFFLEX-International BV

Frank Schmitz
